Step 2

Slide strap under elastic loop. Snap and lock buckle. Tighten strap.

Step 3

Keep arm around the child at all time.

FEEDING POSITION

0-36 MONTHS

Support infant with arm as you breastfeed or bottle feed.

 Do not walk while feeding infant. Only use while sitting.

FACE TO FACE

4-36 MONTHS

Place child on Carrier with legs straddling hipseat.

 Infants who cannot hold head upright on their own must sit facing caregiver.

SIDE CARRYING

4-36 MONTHS

Place child on Carrier with legs straddling hipseat.

FRONT FACING

6-36 MONTHS

Place child on Carrier with legs over hipseat. Children who are able to hold head upright can sit facing or away from caregiver.

WARNING FALL HAZARD

To prevent fall injury:
 1. Only use for children up to 36 months.
 2. Secure belt, slide strap under elastic loop, & engage slide LOCK after buckling.
 3. Keep arm around child at ALL times.

Use and Care

DO NOT USE

- While cooking or cleaning.
- With impaired balance or mobility due to exercise, drowsiness, or medical condition.
- While under the influence of alcohol, drugs, or medications.
- In vehicle.

BEFORE USE

- Inspect hipseat carefully. If torn or damaged in any way, do not use.
- If pregnant, consult your doctor before using.

STORAGE

- Use side snap to fold and store hipseat.

DURING USE

- Face child towards you until he/she can hold head upright.
- Keep one arm around child at all times.
- Only use while stationary or carefully walking.
- Remain seated while using in the feeding position.
- Your balance may be affected, use care when leaning. Never bend at waist, bend at knees.

CARE

- Carrier is made with 100% polyester, stain resistant material, and is machine washable.
- Remove hipseat's plastic insert before washing. Close and fasten velcro before washing. Wash with cold water in gentle cycle ONLY. Air dry flat, DO NOT PUT IN DRYER.
- For light cleaning, simply wipe with a wet towel.
